About ABC -Associated Builders and Contractors (ABC) is a national association with 77 chapters representing 25,000 merit shop construction and construction-related firms with two million employees. ABC's membership represents all specialties within the U.S. construction industry and is comprised primarily of firms that perform work in the industrial and commercial sectors of the industry. The five Florida ABC Chapters have over 2,500 members; they make up Florida's largest merit shop commercial construction trade association. ABC's members employ more than 250,000 Floridians. ABC has become known as "The Voice of Commercial Construction".
