

FUTURE LEADERS IN CONSTRUCTION

Florida Gulf Coast
Chapter

ABC's Future Leaders In Construction Training Program is a 3 month series of educational events designed to enhance the leadership skills and knowledge of young high-potential construction professionals. Through three monthly educational sessions and peer-to-peer networking, ABC's FLIC prepares young professional for leadership roles within their company and with ABC.

Who is Eligible?

It is preferable that nominated individuals have current or future management and decision-making responsibility and have been with their company for at least a year. Due to limited space of 35 participants, this program is limited to employees of ABC member companies. Companies may nominate more than one employee. However, depending on demand, the number of employees per company may be limited.

FLIC Training Agenda

May 27th – Everyday Leadership

June 17th – (AM) Understanding Legal Issues in Construction

June 17th – (PM) Successful Hiring & Firing

July 8th – LEED In The Field

July 8th – Graduation Celebration

All Sessions: 8:30 AM – 4:30 PM

Lunch will be provided for all sessions.

\$450 Per Person (\$350 for additional participants)
